Jaffa Environmental Education Centre
and Springwater Conservation Area

We Need Your Support!

The Carolinian Forest Festival is seeking sponsors who are interested in supporting a fun and important event that is totally focused around children, education, and the environment. The Festival will be held over a three-day period from October 6 - 8, 2009 at Jaffa Environmental Education Centre and Springwater Conservation Area near Aylmer, Ontario.

The Festival will see over 900 grade 6 and 7 students learn about the Carolinian Life Zone, forest ecosystems, species at risk, forest resources, climate change and stewardship through interactive activities. All activities at the Festival are linked to the Ontario Curriculum and motivate behavioural changes in the participants.

The Carolinian Forest Festival is looking for support to help cover costs related to the educational program, volunteer support, busing for students and site needs.

In order for this Festival to succeed, we need YOU to consider assisting us in financing this program. We appreciate support in the form of cash donations, products, in-kind services, or the dedication of volunteer time. A receipt for income tax purposes can be provided for cash donations.

If you have any questions or need more information, please contact the Festival Coordinator, Betsy McClure, at 519-631-1270 or betsy@kettlecreekconservation.on.ca
